Education History

IT-INCUBATOR

Front-end developer | React & Redux

- 2021
- React, Redux, Typescript, REST, Git, Team development ...

HTML ACADEMY, 2020

- JavaScript for beginners, HTML and CSS for beginners

IPK RIPO COLLEGE

Industrial and civil construction

- 2014- 2018 | Builder Technician

I'm a result oriented frontend developer with experience in creating Landing Pages and SPA, using React(JS/TS), Redux, HTML & CSS. Now I am improving my skills in this direction and expanding them with new technologies.

My free time is dedicated to improve my programming skills and boosting my English. I would like to find a full-time job in a creative company with up-to-date task and collaborative team!
